GENERAL SAFETY

CAUTION

- 1.** Careful operation is the best assurance against accidents. It is the owner's responsibility to make sure that all operators have read this manual before operating the equipment.
- 2.** Familiarize yourself with all controls and always be ready to stop equipment quickly in case of emergency.
- 3.** Make sure everybody stands clear before driving.
- 4.** Never let a child operate machinery.
- 5.** Protect yourself by wearing ear protection.
- 6.** Be aware of your surroundings all time of operating the equipment

Important Setup & Operation Instructions **Before Each Use**

- Always use proper pin size when attaching Drag Mat to truck or whatever implement it is being used on.
- Groom at 3 to 5 mi/hr.(5 to 8 km/hr).
- Use alternative driving patterns as you groom.

Maintenance Before Use

- Make sure all bolts are tight (tighten if necessary)
- Check for worn, bent or broken parts (replace if necessary).

DRAG MAT INSTRUCTIONS

The Reist Drag Mat saves time and manual labour. The DM84 and DM66 will fit into any standard 2" hitch receiver.

Operation Instructions:

- Unhook the two straps from mat
- Release the crank lock
- Pull out the drag mat
- It is now ready to be towed

Fig. 1
Transport position

•Transport Instructions:

- Wind up the mat by turning the handle in a clock wise direction
- Put the handle in a lock position and lock the handle by releasing the lock
- Wrap up the remainder of the mat and hook the straps into the mat

WARRANTY

All new Reist machinery is warranted to be free from defects in material or workmanship, which may cause failure under normal usage and service when used for the purpose, intended, for a period of 12 months. This warranty applies only to a new Reist product, there being no warranty of any nature in respect to new products that have been modified or altered, repaired, neglected, or used in any way, which, in the opinion of Reist adversely affects its performance.

In the event of failure of a part or parts, and upon inspection, Reist is satisfied that failure is due to defective material or workmanship within 12 calendar months, from the date of delivery to an end user, such defective part or parts will be repaired or replaced by Reist at his business location. It is the responsibility of the buyer, at his expense, to transport the machine or equipment to the manufacturer service shop or, to an authorized service depot or, alternatively, to reimburse Reist for any travel or transportation expense involved in fulfilling this warranty.

When requested by Reist, part or parts shall be returned for inspection, transportation prepaid, to a place designated by Reist. **IN NO EVENT SHALL THE BUYER BE ENTITLED TO RECOVER FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF PRODUCT, INCONVENIENCE, RENTAL OR REPLACEMENT EQUIPMENT, LOSS OF PROFIT, OR OTHER COMMERCIAL LOSS.**

This warranty becomes void and null if the equipment is modified, breaks down as the result of an accident, is not operated according to manufacturers recommendations, damaged by negligence or if maintenance has not been carried out as specified.

THIS WARRANTY IS NOT TRANSFERABLE
